

How my product and its components would be made in a factory by batch production methods:-

---

---

---

---

---

---

---

---

---

---

How jigs and templates would be used to batch produce some of the parts.

---

---

---

---

---

---

---

---

---

---

How quality control methods will be used in the production of my injection moulding tool in the workshop.

---

---

---

---

---

---

---

---

---

---

How quality control methods would be used in the production of my injection moulding tool if it were to be batch produced.
